

International Buyer Program - Effortless Sourcing for Overseas Visitors

Join our **International Buyer Program** for a focused, efficient sourcing experience at WATERTECH CHINA 2025.

You get more than just VIP access as our valued visitor. We will arrange meetings with suppliers right inside our business matching lounge just for you. Simply select the suppliers you're interested in meeting and leave the rest to us. With us, you can meet your selected suppliers at your convenience.

BENEFITS

- Business matching concierge service
- Elite VIP badge and benefits
- Fast track entry
- Complimentary shuttle service from hotel to venue
- Industry-related seminars
- Accommodation*

*Buyers will be provided a 2D1N twin hotel room if joining 6 sessions of Business Matching. Or 2N can be provided if attending 8 or more sessions.

Apply today to join the International Buyer Program.
You do not need to navigate 190,000sqm of exhibition space alone!
